FACIAL

● Face

Cleansing Milk

The Cleansing Milk removes makeup and skin impurities, promoting a pleasant sensation of well-being. It has soothing and healing properties and it's suitable for all skin types. It's a must-have product for daily skin care and for all aesthetic professionals.

Main Ingredients
Chamomilla Recutita Flower | Glycerin | Allantoin

Presentation
200ML | 500ML

● Face

Biphasic 2&1

The Biphasic 2&1 is a solution designed to cleanse and tone the skin, removing impurities without drying it. It allows deep cleansing of the skin, even on water-resistant makeup. It is especially suitable for normal / dry skin.

Main Ingredients
Daucus Carota Sativa Root Extract | Beta-Carotene | Helianthus Annuus Seed Oil

Presentation
200ML

● Face

Facial Tonic

Facial Tonic rebalances the skin pH, restoring its hydroipidic film. It provides a pleasant sensation of freshness and smoothness. The meticulous choice of ingredients brings benefits for all skin types.

Main Ingredients
Aloe Barbadensis Extract | Rosa Gallica Flower Extract | Chamomilla Recutita Flower | Citrus Sinensis Fruit

Presentation
200ML | 500ML

● Face

Biphasic 2&1

The Biphasic 2&1 is a solution designed to cleanse and tone the skin, removing impurities without drying it. It allows deep cleansing of the skin, even on water-resistant makeup. Especially suitable for oily / combination skin.

Main Ingredients
Cucumis Sativus | Panthenol | Allatoin

Presentation
200ML

● Face

WA Arbutin Cream

WA Arbutin Cream is a whitening cream that helps minimize the appearance of skin blemishes, ensuring an even and lighter skin tone. It helps protect the skin from aggressions caused by exposure to UV rays. It's a perfect homecare product to maximize any depigmentation treatment.

Main Ingredients
Alpha-Arbutin
Hyaluronic Acid
Allantoin

Presentation
30ML

● Face

Antismog Cream

Antismog Cream was specially developed to create a polysaccharide barrier, protecting the skin from various aggressions coming from urban polluted environments. Its moisturizing and soothing effect prevents irritation, increases the capacity to deal with the climate variations and promotes skin repair.

Main Ingredients
Alteromonas Ferment Extract
Sodium Hyaluronate
Sorbitol

Presentation
30ML

● Face

Vlifting Cream

Vlifting Cream promotes a strong lifting effect, improves skin firmness and elasticity, reshaping the face contour. It increases levels, reducing the appearance of wrinkles.

Main Ingredients
Polygonum Aviculare Extract
Sodium Hyaluronate
Sorbitol

Presentation
30ML

● Face

Argireline Cream

Argireline Cream contains active ingredients that create a natural Botox effect on the skin. It's an efficient anti-wrinkle, prevents and reduces expression lines, functioning as a regenerative and antiaging cream.

Main Ingredients
Acetyl Hexapeptide-8
Hyaluronic Acid
Sorbitol

Presentation
30ML

● Face

Poresrepair Cream

Based on natural ingredients such as Clove Flower Extract, Poresrepair Cream visibly reduces the pore size, improving skin general appearance. Strong ally in balancing the sebum production, useful for oily and combination skins with acneic tendency.

Main Ingredients
Trifolium Pratense Flower Extract
Sodium Hyaluronate
Sorbitol

Presentation
30ML

● Face

Atopical Cream

Specially developed for sensitive and atopic skins, Atopical Cream has a calming action, that relieves the irritative reaction of the skin providing a revitalizing effect. The peptides contained in this cream boost collagen production by activating a key growth factor.

Main Ingredients
Palmitoyl Tripeptide
Sodium Hyaluronate
Sorbitol

Presentation
30ML

● Face

Hydraface Cream

Hydraface offers elasticity, firmness and smoothness to the skin. Suitable for dehydrated and devitalized skin, it helps to restore the optimal level of hydration and combats the free radicals. It has a sun protection factor 15.

Main Ingredients
Mimosa Tenuiflora Leaf Extract
Glycerin
Serine
Tocopheryl Acetate
Retinyl Palmitate

Presentation
50ML | 500 ML

● Face

Antiaging Cream

Antiaging is a nutritive and moisturizing cream that prevents and reduces expression lines and flaccidity on the face. When daily applied, it will provide brightness and elasticity to the skin, neutralizing the signs of premature aging.

Main Ingredients
Persa gratissima
Proteoglycans
Collagen
Hydrolyzed Wheat Gluten

Presentation
50ML | 500 ML

● Face

Purifying Cream

Purifying Cream facilitates cellular renewal, balancing the brightness and improving the texture of the skin. The rich combination of Apricot, Myrtus, Myrrha an Glycolic Acid, makes it a powerful cream to deal with oily / combination skins, as it regulates sebum production. Moreover, it presents anti-bacterial and antiseptic properties, perfect to fight against different levels of acneic conditions.

Main Ingredients
Glycolic Acid
Apricot Kernel Oil Peg-6 Esters
Myrtus Communis Extract
Commiphora Myrrha Oil

Presentation
50ML | 500 ML

● Face

Regenerator Cream

Regenerator Cream promotes cell proliferation by stimulating the recovery process of irritated or damaged skin. It contains active ingredients that promote skin hydration and nutrition, providing a quick and complete regeneration process. Due to its wide range of action it can be combined with all MCCM creams.

Main Ingredients
Aloe Barbadensis Extract
Apricot Kernel Oil Peg-6 Esters
Mimosa Tenuiflora Leaf Extract
Hydrolyzed Soy Protein

Presentation

● Face

CVita 180 ° Mask

CVita 180 ° Mask has antioxidant properties, bringing a brightening effect to the skin. The combination of Vitamin C and Ginkgo Biloba enables this mask to prevent photo-aging related to UV radiation, giving luminosity to the skin.

Main Ingredients
Asorbic Acid
Ginkgo Biloba Leaf Extract
Marine Collagen

Presentation
BOX 6 MASKS | BOX 12 MASKS

● Face

Proteohydra Mask

Proteohydra Mask provides nutritive ingredients such as Proteoglycans and Horse Chesnut. This mask helps restructure cells and reduce wrinkles, providing elasticity and firmness to the skin. The cells are refilled with water, creating the sensation of freshness and smoothness.

Main Ingredients
Proteoglycans
Aesculus Hippocastanum
Marine Collagen

Presentation
BOX 6 MASK | BOX 12 MASKS

● Face

Argireline Mask

Argireline Mask prevents and reduces wrinkles and expression lines, while it produces a cooling and refreshing effect to the skin. It acts like a natural Botox, promoting a firming and glowing effect.

Main Ingredients
Acetyl Hexapeptide-8
Ginkgo Biloba Leaf Extract
Aesculus Hippocastanum Extract

Presentation
BOX 6 MASKS | BOX 12 MASKS

● Face

Gold Mask

This luxurious mask has soothing, anti-irritant and toning properties, which make it perfect for sensitive skins. It has a rich source of catechins, tannins and other active ingredients that provide antioxidant protection, stimulates blood flow and oxygenation of skin tissues.

Main Ingredients
Acetyl Hexapeptide-8
Ginkgo Biloba Leaf Extract
Aesculus Hippocastanum Extract
Marine Collagen

Presentation
BOX 12 MASKS

● Face

Moisturizing Mask

Moisturizing Mask has soothing and healing properties making it an option for a post-peeling application. It's recommended to recover dehydrated skin and it's proper for all facial treatments. It reduces intracellular oxidative stress and prevents the colonisation of harmful bacteria on the skin. It's suitable for all skin types and it's perfect for professional use.

Main Ingredients
Chamomilla Recutita Extract
Zinc
Glycerin

TOPICAL SOLUTIONS & AMPOULES

● Body

Bodyplus Solution

Bodyplus Solution causes a dilation of the capillaries and a increase in blood circulation. This will induce an intense calorific effect, allowing oxygen and nutrients to be carried to the cells, helping to eliminate fluid retention and to fight cellulite.

🔗 **Main Ingredients**
 Hedera Helix Extract
 Equisetum Arvense Extract
 Ruscus Aculeatus Root Extract

📦 **Presentation**
 AIRLESS SOLUTION 50ML

● Face

Proteoglycans Solution

Proteoglycans prevents the appearance of expression lines and helps to eliminate small wrinkles. The combination of Proteoglycans and Castor Oil will stimulate the collagen synthesis, improving elasticity and hydration of the collagen syntheses, improving elasticity and hydration of the connective tissue. It's advisable for all skin types, even the most delicate.

🔗 **Main Ingredients**
 Proteoglycans
 Peg-40 Hydrogenated Castor Oil

📦 **Presentation**
 BOX 20 x 2 ML AMPOULES
 AIRLESS SOLUTION 50 ML

● Face

Antiaging Flash Solution

It's active firming properties cause an immediate tensor effect, eliminating any signs of fatigue. It is used in anti-aging treatments to prevent facial flaccidity, offering brightness and elasticity to the skin. It hydrates deeply and it's excellent to apply before a special event.

- Main Ingredients**
- Asorbic Acid
 - ascorbyl Palmitate
 - Hydrolyzed Elastin
 - Solube Collagen
 - Hydrolyzed Wheat Gluten
 - Mimosa Tenuiflora Leaf Extract

- Presentation**
- BOX 20 x 2 ML AMPOULES

● Face

Antiseborrhoea

Antiseborrhoea is a biological concentrate with a cutaneous purifying action that prevents follicular obstruction and regulates sebaceous secretion. Its combination of natural ingredients such as Biotin, Nettle, Burdock, Sage and Chamomille restores the balance of the hydrolipidic film, eliminating excess oil and at the same time nourishing skin with acneic tendency.

- Main Ingredients**
- Biotin
 - Urtica Dioica Extract
 - Arctium Lappa Fruit Extract
 - Salvia Officinalis Leaf Water
 - Chamomilla Recutita Flower

- Presentation**
- BOX 20 x 5 ML AMPOULES

● Face, Body & Hair

Argan Oil

Argan Oil is an organic product extracted from the kernels of the Argan tree. It is extremely rich in beneficial nutrients including fatty acids and Vitamin E and it's considered the "Gold of Morocco". It contains properties that rejuvenate with a strong antioxidant action, giving the skin a natural boost. Argan Oil is also recommended for hair application making it softer, silkier and shinier.

- Main Ingredients**
- Argania Spinosa Kernel Oil

- Presentation**
- BOX 20 x 1 ML AMPOULES

● Face & Hair

SPF Protection

SPF Protection is a liquid solution that provides a shield against UV radiation along with regenerative and healing properties. Sun exposure is known to be the major cause of skin aging, blemishes and dark spots, which makes effective protection essential in preventing melasma and photoaging. Its application on the hair will prevent damage caused by the sun, maintaining it healthy and shiny.

- Main Ingredients**
- Ethyl Methoxycinnamate
 - Mimosa Tenuiflora
 - Dimethicone

- Presentation**
- BOX 20 x 2 ML AMPOULES

● Face & Body

Musk Rose Oil Solution

Musk Rose Oil has a high concentration of polyunsaturated fatty acids, essential for regenerating skin tissue. It has highly moisturizing properties and it's especially indicated to prevent and correct skin aging. It helps to reduce scars and recent stretch marks improving significantly the appearance of your skin.

- Main Ingredients**
- Musk Rose Oil

- Presentation**
- BOX 20 x 1 ML AMPOULES
 - AIRLESS SOLUTION 50 ML

● Face & Body

Glycolic Acid

Glycolic Acid topical ampoules are enriched with Vitamin E and Vitamin F. It promotes the removal of dead cells, renewing the skin and giving it a smooth glowing look. The regular use of this combination of ingredients protects the skin from external environmental aggressions, reducing expression lines on the face significantly, boosting skin elasticity and hydration.

- Main Ingredients**
- Glycolic Acid
 - Tocopheryl Acetate
 - Glyceryl Linoleate

- Presentation**
- BOX 20 x 2 ML AMPOULES

● Face & Body

Salicylic Removing

Salicylic Removing combines the benefits of Salicylic Acid, a keratolytic beta hydroxy acid (BHA), with the benefits of Azelaic Acid, a dicarboxylic acid (DCA). The fusion of these two ingredients will renew the skin and prepare it for the application of any type of cosmetic product. It improves the appearance of the skin, revitalizing it and giving it a youthful glow.

● Main Ingredients

Salicylic Acid
Azelaic Acid
Urea
Allatoin

PROFESSIONAL USE

● Face

AEC

As we grow older, our skin's ability to renew itself slows down. Skin loses its elasticity and wrinkles become more evident. Due to its active components based on Vitamin A, Vitamin E and Vitamin C, the AEC ampoules prevents flaccidity and coetaneous aging, promoting improvement of naturally aged skin.

Main Ingredients

Retinol
Tocopherol
Ascorbic Acid

Presentation

BOX 20 x 5 ML AMPOULES

● Face

Oligoelements

Trace elements are essential for balancing the skin's natural functions and maintaining a youthful appearance. It contains Zinc, an important mineral that helps to balance the sebum production, reducing the excess of oil in the skin and therefore helping in the treatment of acne. It is antioxidant and has skin healing properties.

Main Ingredients

Trace Elements

Presentation

BOX 20 x 5 ML AMPOULES

● Face

Argireline

The active ingredient of Argireline is a powerful hexapeptide which creates a natural Botox effect on the skin by blocking signals from the nerve to the muscle, preventing neurotransmitters from being released. It is an efficient anti-aging solution that prevents and reduces expression lines.

Main Ingredients

Acetyl Hexapeptide-3
Leuphasyl

Presentation

BOX 20 x 2 ML AMPOULES

● Face & Hair

B-Complex

Being a vitaminic complex with Vitamin B1, B3, B6, B9 and B12, B-Complex aids in skin regeneration, creating new cells, reducing the signs of aging and eliminating blemishes. It helps improve skin conditions such as melasma and psoriasis.

Main Ingredients

Thiamine HCL
Niacinamide
Pyridoxine
Folic Acid
Cyanocobalamin
Pentapeptide-33

Presentation

BOX 20 x 5 ML AMPOULES

● Face & Body

Hyaluronic acid 1% | 2% | 3.5%

Hyaluronic Acid helps in the treatment of wrinkles and expression lines with immediate results, restoring and maintaining effectively high hydration levels of the skin. It provides greater elasticity to the skin and exerts a repairing effect that restructures the damaged tissues. By stimulating the fibroblast function and collagen synthesis it will slow the natural process of aging.

Main Ingredients

Sodium Hyaluronate

Presentation

BOX 5 x 5 ML VIALS

● Face

Tranexamicum

Tranexamicum is specially formulated to balance skin tone. It is also a tyrosinase inhibitor, which reduces the production of melanin, preventing the appearance of dark spots on the skin.

Main Ingredients

Tranexamic acid

Presentation

BOX 5 x 1500 IU

● Face & Hair

Glutathione

Glutathione acts as an important antioxidant in our body, preventing the damage caused by free radicals and boosting the immune system. It is an essential component of melasma and depigmentation treatments due to its capacity to inhibit melanin synthesis.

Main Ingredients
Glutathione

● Body

Phosphatidylcholine

Phosphatidylcholine is a liquid form of Lecithin, which is an enzyme naturally produced in our body. It is recommended as an aid in weight loss treatments, helping to reduce and eliminate localized fat, reshaping body contour. This phospholipid present in the cell membranes acts as a lipolytic solution, dissolving and eliminating adiposities. It's a very effective therapy to reduce smaller fat areas in patients with ideal weight.

Main Ingredients
Lecithin

Presentation
BOX 20 x 5 ML AMPOULES

● Face & Body

Hyaluronidase Liquid

Hyaluronidase acts as a depolymerizant of glycosaminoglycans. It has a high enzymatic activity and works as a diffuser agent of other ingredients. It acts directly on the elimination of water retention and on the reduction of the adiposities. It exerts a restructuring action on the connective tissue and rebalances the skin affected by a hydrolipodystrophy.

Main Ingredients
Hyaluronidase

Presentation
BOX 20 x 5 ML AMPOULES

● Body

Artichoke

Artichoke has been used in traditional medicine for centuries. It has detoxifying and diuretic properties, and acts against oxidative stress induced by inflammatory mediators. It is widely used to treat cellulite and localized fat. Moreover, Artichoke helps to stimulate the lymphatic circulation, reducing liquid retention.

Main Ingredients
Artichoke Extract

Presentation
BOX 20 x 5 ML AMPOULES

● Body

Lipolytic Plus

Lipolytic Plus ampoules are specially indicated to assist in weight loss treatments. They help reduce localized fat and remodel body contours.

Main Ingredients
Lecithin

Dexpanthenol

Panthenol is derived from Vitamin B5, a chiral molecule that helps to manage the negative results caused by oxidative stress, such as redness, fine lines and skin roughness. Its molecular structure allows to attract moisture from the atmosphere and bind to water molecules. It promotes tissue healing and it is recommended in the treatment of dry and sensitive skin and hair loss.

 **Main Ingredients**
Panthenol

 **Presentation**
BOX 20 x 5 ML AMPOULES

● Face & Body

Cellestabl

A powerful combination enriched with Vitamin B3 and Vitamin B6. It's an effective treatment to reduce cellulite and localized fat. It increases the adipocyte membrane permeability and stimulates the degradation, mobilization and elimination of fat cells.

 **Main Ingredients**
Pyridoxine
Disodium Adenosine Triphosphate
Niacin

 **Presentation**
BOX 20 x 1 ML AMPOULES

● Face & Body

Deoxycholic 10 %

Sodium Deoxycholate is used in the emulsification of fats for the absorption in the intestine. Deoxycholic 10% is an innovative active ingredient, recommended for localized fat treatments, especially on thighs, buttocks, abdomen and double chin.

 **Main Ingredients**
Sodium Deoxycholate

 **Presentation**
BOX 5 x 10 ML VIALS

● Face & Body

Caffeine

Caffeine helps in the reduction of cellulite and localized fat by stimulating and increasing the mobilization of free fatty acids in the blood stream. Its lipolytic properties and high absorption power promote better results in weight loss programs. It improves the blood flow and stimulates the return of spontaneous circulation.

 **Main Ingredients**
Caffeine

● Face & Body

Azelaic Peel

Azelaic Peel has antioxidant and comedolytic properties. It helps to fade the appearance of post-acne marks and other discolorations, refine skin's surface, and reveal a more even skin tone. It will reduce skin sensitivity and it is compatible with any skin type.

Main Ingredients
Azelaic Acid

Presentation
BOTTLE 100 ML
PACK AZELAIC

● Face & Body

Jessner Peel

Jessner Peel is suitable for the treatment of acne and wrinkles. It has antioxidant properties that will provide lightening and brightening effect on the skin, being an excellent peeling therapy for hyperpigmentation.

Main Ingredients
Resorcinol

Presentation
BOTTLE 100 ML
PACK JESSNER

● Face

Regulator Peel

Regulator Peel combines the benefits of Hexapeptides with Azelaic Acid. This formula is indicated to reduce the thickness of the horny layer, unclog pores and reduce skin sensitivity. It shows great results in acneic skin.

Main Ingredients
Hexapeptide-3
Azelaic Acid

Presentation
BOTTLE 100 ML
PACK REGULATOR

● Face & Body

Glutathione Peel

Glutathione Peel is a powerful antioxidant that shows good results in whitening treatments. It can be applied in the face but also in darker parts of the body. It provides the skin with a radiant glow, redefining pores and improving coetaneous hyperpigmentation.

Main Ingredients
Glutathione

Presentation
BOTTLE 100 ML
PACK GLUTATHIONE

● Face & Body

Glycolic Peel

Glycolic Peel benefits the skin by normalizing cell turnover in the epidermis, stimulating the formation of new healthy skin. Derived from plants, its botanical properties aid in the treatment of photo-aging, scars, psoriasis, melasma and seborrheic keratosis.

 **Main Ingredients**
Glycolic Acid

 **Presentation**
BOTTLE 100 ML
PACK GLYCOLIC

● Face

Mandelic Peel 1 | 2

Mandelic Peel is recommended for mature skin with acne and hyperpigmentation. It acts from the inside out, resulting in a thinner horny layer that will make the skin luminous and with a more youthful appearance.

 **Main Ingredients**
Mandelic Acid

 **Presentation**
BOTTLE 100 ML
PACK MANDELIC

● Face & Body

Pyruvic Peel

Pyruvic Acid, a liquid form of Pyruvate, is the main ingredient of Pyruvic Peel. Its use provides a deep skin regeneration, ideal for the treatment of wrinkle, photo-aging, scars and stretch marks. Among its effects, a smoother texture of the skin and less evident fine wrinkles are enhanced.

 **Main Ingredients**
Pyruvic Acid

 **Presentation**
BOTTLE 100 ML
PACK PYRUVIC

● Face & Body

Lactic Peel 1 | 2

Lactic Peel is an alpha hydroxy acid (AHA) that diminishes the cohesion of surface cells and subsequently, prevents the thickening of the horny layer. It contributes to control melanin synthesis and it's effective in anti-aging treatments, thus activating collagen and elastin production.

 **Main Ingredients**
Lactic Acid

 **Presentation**
BOTTLE 100 ML
PACK LACTIC

● Face

Salicylic Peel 1 | 2

Salicylic Acid is a beta hydroxy acid (BHA), and due to its lipophilic nature, enables it to penetrate sebaceous substances in the hair follicle and exfoliate the pores. It has comedolytic effect, making it a great option for the treatment of acne.

 **Main Ingredients**
Salicylic Acid

 **Presentation**
BOTTLE 100 ML
PACK SALICYLIC

● Face & Body

Phytic Peel

Phytic Peel has Phytic Acid as the major ingredient, rich in antioxidant, whitening and regenerative properties. It's recommended to treat hyperpigmentation, having also good results in mature skin with couperosis.

 **Main Ingredients**
Phytic Acid

 **Presentation**
BOTTLE 100 ML
PACK PHYTIC

● Face

Red Peel 1 | 3 | 5

Red Peel has a keratolytic effect, providing removal of the upper layers of the epidermis. It promotes lifting effect by increasing collagen and elastin production, resulting in a healthier and more luminous appearance of the skin.

 **Main Ingredients**
Trichloroacetic Acid

 **Presentation**
BOTTLE 50 ML

● Face

Purple Peel 1 | 2 | 4

Purple Peel is an innovative and intensive skin peeling, particularly suitable for acne scars, deep wrinkles and hyperpigmentation. Its properties promote skin renewal and rejuvenation.

 **Main Ingredients**
